

## OIL KING SMILES MUCH, TALKS NONE

John D. Rockefeller Re-  
turns Home; Turns  
Reporters Away.

## CHICAGO COURT NOW AFTER HIM

Action Begun Yesterday Intended  
to Include Standard Heads  
and Subordinates in In-  
dictment—Investiga-  
tion Will Be  
Drastic.

(By Associated Press.)  
NEW YORK, July 28.—John D. Rocke-  
feller was a passenger on board the  
steamer Amerika, which arrived from  
Hamburg to-day. In his party were Mrs.  
Rockefeller, Miss A. E. Turner, Miss W.  
W. Benjamin, Dr. H. F. Biegar, and  
Charles C. Hyde. Robert S. McCormick,  
the American Ambassador at Paris, and  
Mrs. McCormick and Mr. and Mrs. Reg-  
inald Vanderbilt were also passengers on  
the Amerika.

No attempt was made to serve any  
legal papers on Mr. Rockefeller in con-  
nection with the proceedings against him  
at Findlay, O., when he left the Amerika  
at Hoboken. Mr. Rockefeller greeted a  
group of newspaper men with a smile,  
but, in reply to questions, declared he  
had nothing to say about the warrant  
which was issued at Findlay for his ar-  
rest on a charge of violating the anti-  
trust law. "I cannot talk about that  
now," he said.

Refuses to Talk.  
Mr. Rockefeller made the same reply to  
a question whether there is any truth  
in a report that he has taken no active  
part in the affairs of the Standard Oil  
Company for twelve years.

When asked how he liked France, he  
said he could not compare it to America  
at all. After posing for his photograph  
at the request of a reporter, and greet-  
ing several friends, Mr. Rockefeller, ac-  
companied by Mrs. Rockefeller and his  
son, left the steamer dock in an auto-  
mobile.

"Do you consider yourself, directly or  
indirectly, responsible for any violation  
on the part of the Standard Oil Com-  
pany of the anti-trust laws?" Mr. Rocke-  
feller was asked, as he entered the auto-  
mobile.

"Please excuse me from saying any-  
thing in this direction," he replied, with  
a broad smile.

## After Rockefeller and Others.

(By Associated Press.)  
CHICAGO, ILL., July 28.—Subpoenas  
for railroad men, who it is claimed, are  
acquainted with the relationship existing  
between the Standard Oil Company and  
the Lake Shore and Michigan Southern  
Railway Company, were issued in the  
United States District Court to-day. Vice-  
President G. C. Grimmer, of the New  
York Central Railroad, and a number  
of other railroad officials who testified  
before the grand jury in Cleveland are  
named in the subpoenas.

It developed to-day that the govern-  
ment attorneys are bending every effort  
to present facts before the grand jury  
upon which an indictment may be sought,  
which will include John D. Rockefeller  
and his subordinates in the Standard  
Oil Company under a charge of engaging  
in a monopolistic business, in violation of  
the anti-trust laws.

## Trial of Ice Men.

(By Associated Press.)  
JACKSONVILLE, FLA., July 28.—The  
second trial of the ice men, in the case  
of raising prices and maintaining a  
trust, resulted to-day in a mistrial. The  
first trial, which was concluded several  
days ago, ended in acquittal, the jury  
at that occasion deciding that no crim-  
inal intent had been proven.

## Sentenced to Jail.

(By Associated Press.)  
FARGO, N. D., July 28.—E. C. Hilde-  
koper and E. D. Hildekoper, wealthy men  
of Meadville, Pa., and W. G. Clark, of  
this State, who were their managers, were  
sentenced to-day by Judge Amidon, in  
the United States Court, for fencing gov-  
ernment land in connection with the Lit-  
tle Missouri Horse Company's ranch in  
the Western part of the State. The  
Hildekopers were sentenced to twenty-  
four hours in jail and fined \$1,000 each,  
and Clark was fined \$300 and to serve  
imprisonment in the county jail for  
twenty-four hours.

## MEN SWAM ASHORE AND LEFT GIRLS TO DROWN

(By Associated Press.)  
MORRISTOWN, N. J., July 28.—Laura  
Bossard, of Mount Holly, and Susie  
Bilz, of Smithville, were drowned in  
Rancocas Lake to-night by the upsetting  
of a row-boat. They were accompanied  
by Stacy Gaunt and Raymond Rambo,  
both of Mount Holly, who saved them-  
selves by swimming ashore. The young  
men tried to slip away through the  
woods, but were overtaken, and placed  
under arrest. They were observed to be  
skylarking in the boat just before it was  
upset.

## HANGING OF ALABAMA MURDERER DELAYED

(By Associated Press.)  
BIRMINGHAM, ALA., July 28.—Crim-  
inal Judge Weaver to-day decided that  
his court has jurisdiction in the habeas  
corpus proceedings brought in behalf of  
John Williams, condemned murderer of  
State Senator R. L. Nopp.  
Williams was to have been hanged at  
Cullman yesterday, but he resisted the  
officers when they came to take him from  
his cell. This caused the party to miss  
the train. Williams's son took advantage  
of the delay and secured a writ of habeas  
corpus. After overruling the motion of  
the State to dismiss the proceedings,  
Judge Weaver fixed Aug. 6 for the ha-  
beas corpus hearing.

## LIGHTNING HIT FUNERAL PARTY

Strange Chapter of Accidents  
During Storm—Several Killed  
and Injured.

(By Associated Press.)  
CLEVELAND, OHIO, July 28.—During  
a severe rain and electrical storm, which  
swept over this city this afternoon, two  
people were killed while the funeral of  
Mrs. J. Crump was in progress at No.  
3562 Sykora Road, and just as the min-  
ister was offering the final prayer, a bolt  
of lightning struck John Cylisky, a driver,  
killing him. His horse was also killed,  
and a panic was created among the  
mourners. In another part of the city  
Frank Munn, also a driver, was killed  
by his team, which was frightened by  
the storm and ran over him.

## Picnic in Panic.

(By Associated Press.)  
WELLSTON, OHIO, July 28.—While  
the members of a lodge were holding a  
picnic in a large grove at Springfield  
Switch, near here, this afternoon, a bolt  
of lightning struck the trees and threw  
twenty-two people to the ground. Nine  
of them were rendered unconscious, and  
two will probably die.

## Killed by Lightning.

(By Associated Press.)  
TALLADEGA, ALA., July 28.—J. L.  
Phillips, a well known resident of Fie-  
leville, this county, was killed to-day,  
and his wife and the infant child of Mr.  
and Mrs. S. A. Hoey were fatally injured  
by a stroke of lightning. The parents  
of the child found the three dead or  
helpless in the Phillips home when they  
called for their child.

## RAWLINGS CASE IN SUPREME COURT AGAIN

(By Associated Press.)  
MACON, GA., July 28.—John R. Cooper,  
attorney for J. G. Rawlings and his sons,  
under sentence to hang for the murder  
of the Carter children, near Valdosta,  
Ga., over a year ago, to-day filed a  
habeas corpus petition to Judge Emory  
Speer, of the United States District  
Court. The ground of the petition was  
that the elder Rawlings was a minister  
of the Gospel, and that there was no  
minister on the jury tried which tried  
the case.

Judge Speer declined to sign the habeas  
corpus order, whereupon Attorney Cooper  
presented a bill of exceptions, which  
Judge Speer certified. On this bill of  
exceptions, the case will go to the United  
States Supreme Court again.

## BOY KILLED ONE AND INJURED TWO OTHERS

(By Associated Press.)  
PITTSBURG, PA., July 28.—As the  
result of a mysterious shooting near  
Dravertburg, Pa., yesterday one man is  
dead, a young woman may die and a  
second man is in a serious condition.  
This evening the mystery was cleared  
by the confession of Michael Cleo, an  
18-year-old boy, who walked into the  
McKeesport police station and gave him-  
self up. Cleo said he shot the two men  
and the woman, but he did it in self-  
defense, after he had been robbed and  
thrown into the river.

## SOUTH AND WEST TO HAVE NEW FAST MAIL

(By Associated Press.)  
COLUMBUS, OHIO, July 28.—Officials  
of the Norfolk and Western and the  
Pennsylvania lines are arranging for a  
new fast mail train connecting Chicago  
with Norfolk, Va., and the West with the  
South in order to shorten the route for  
through mail.

## ORIENTAL DISEASE KILLS SACRED CATTLE

Imported Herd, Held in Quarantine,  
Fall Victims to Baffling  
Malady.

(From Our Regular Correspondent.)  
WASHINGTON, D. C., July 28.—The  
herd of sacred cattle which A. P. Borden,  
of Pierce, Texas, is trying to import  
from India, is in quarantine, being held  
there by the Bureau of Animal Industry  
of the Department of Agriculture. Mr.  
Pierce believes that by crossing the  
sacred cattle on the cattle of his State  
he might be able to secure a strain  
which would resist Texas fever and  
become immune to the disease.  
The Department had the cattle held  
up as a matter of precaution, which was  
fortunate in the extreme, for when the  
period of quarantine had about termin-  
ated, an Oriental disease developed among  
the cattle, and several of them have  
died. It is believed now that it is prob-  
ably likely that the entire lot will have  
to be treated in the same way.  
The Department people are congratulat-  
ing themselves that they were so careful  
about admitting the stock, for had they  
been admitted and have infected Amer-  
ican cattle, the meat trade would have  
suffered severely. It is admitted  
that it has recently suffered enough.

## FIGHT FOR SAGE MILLIONS IS ON

## WIDOW WILL RIVAL CARNEGIE IN GIFTS

At Age of Seventy-Seven Has  
Between Seventy and Hundred  
Millions to Distribute to  
Charities—Probable Di-  
rection Philanthro-  
pies Will Take.

(Special to The Times-Dispatch.)  
NEW YORK, July 28.—Notwithstanding  
the care with which the will of Russell  
Sage was drawn and its apparently un-  
assailable character in the event of a  
contest by the heirs, lawyers competent  
to pass judgment are of the opinion that  
the prime purpose of the testator will  
eventually fail. The clause in the will  
which the off absolutely any of the heirs  
who enter into a contest, directly or  
indirectly, has not prevented immediate  
preparations to defeat the purpose of the  
testator as to his nephews and nieces,  
and it is said that the nephews and  
nieces in Ontario, N. Y., who are the  
most numerous, will stand the brunt of  
disinheritance by coming out openly  
and charging that Mr. Sage was mentally  
incompetent to dispose of his property  
in February, 1901. This is the only pos-  
sible ground on which an attempt to  
break the will can be made.

With something between seventy and  
a hundred millions to distribute at the  
age of seventy-seven, Mrs. Russell Sage  
will rival Andrew Carnegie with her whole-  
sale philanthropies.

She has been in conference with those  
whom she and her late husband trusted,  
and she is credited with having large  
plans for beneficiaries.

Mrs. Sage at one time spoke in favor  
of the establishment of two great homes  
in New York to receive unfortunate people,  
who, without such assistance, spend the  
nights in the street or in police station  
cells, locked up on charges of vag-  
rancy.

Should the will get into the courts, it  
is doubtful if she would live to see the  
conclusion of the contest for the millions  
now in her sole control.

## TWO BURIED IN COLORADO MINE

Treasurer of Tempest Apex Min-  
ing Company and Companion  
Entombed.

OURAY, COLO., July 28.—General Man-  
ager L. A. Thompson, and V. Mather,  
of the Tempest Apex Mining Company,  
have been missing since yesterday morn-  
ing, when they went into the Mickey  
Green mine, and it is feared that they  
have been entombed by a cave in. A  
force of men is searching for the two  
men, but up to noon to-day no trace of  
them had been found.

SYRACUSE, N. Y., July 28.—A dis-  
patch received by C. O. Thompson, of  
this city, says that his brother, Laynt  
Thompson, and a man named Mather,  
were lost in a cave-in of the Tempest  
Apex mine near Ouray, Colo., and that  
there was a horrible fatality. Laynt  
Thompson was treasurer of the company,  
and formerly lived at Auburn  
and at Lansing, Mich.

## Why the Delay?

## TWO PERSONS KILLED BY LIGHTNING FLASH

Mrs. Gay and Mr. Hutchison, of  
Alberene, Lose Their Lives in  
Severe Storm.

(Special to The Times-Dispatch.)  
ALBERENE, VA., July 28.—Mrs. Wil-  
liam Gay and a man named Hutchison  
were killed by lightning during a thun-  
derstorm late yesterday evening. They  
were standing on the porch of Mrs.  
Gay's residence when killed.

## LETTERS TO ARCHITECT IN ATTORNEY'S HANDS

(By Associated Press.)  
NEW YORK, July 28.—A number of  
letters written by Evelyn Nesbitt to  
Stanford White before her marriage to  
Harry K. Thaw, and the reports of de-  
tectives employed by White, were given  
into the custody of District Attorney Je-  
ferson by the family of Stanford White. Miss  
Nesbitt's letters are said to show only  
a friendly feeling for White. The de-  
tectives were employed by White after he  
suspected that he was being watched by  
men employed by Thaw.

## TWO CAUGHT AFTER SENSATIONAL CHASE

Fired on Pursuing Officers and

One of the Boldest That  
Has Ever Oc-  
curred in  
City.

(By Associated Press.)

BOSTON, MASS., July 28.—Patrolman  
Hermann Shiel and Thomas Hickey, of  
Wakefield, a coal merchant, lies seriously  
wounded at the Relief Hospital, the  
victims of three robbers, who, in broad  
daylight, held up, robbed and shot Hickey  
in his office at Charlestown to-day, and  
then engaged in a street battle with the  
police, in which Shiel was maimed by a  
bullet fired by the desperadoes.

So bold a crime has not occurred in  
Boston for many years, and the police  
directed every effort to the capture of the  
three criminals, the other two having been  
arrested as the climax of the struggle  
with the authorities.

## Battle in Street.

Hickey was robbed of \$200 in cash and  
valuable papers. The two men taken  
into custody are George W. Everson, 27  
years of age, of New York, and Fred  
Sackett, 30 years of age, of Bridge-  
port, Conn. They entered the coal of-  
fice while Hickey was alone and de-  
manded money. The merchant refused  
their demand, and was shot through the  
neck by one of the robbers, and then  
relieved of his money.

Though badly wounded, Hickey strug-  
gled with his assailants, who fled to the  
street, where they were pursued by  
police. In an exchange  
of bullets, the officer was shot in the  
leg and rendered helpless. Other police  
pursued the robbers, and, after more  
shooting, captured two of them.

## Gibson Pictures.

The first series of the Charles Dana  
Gibson drawings, which has been fur-  
nished with The Times-Dispatch, has  
ended. This charming feature, has  
proven so popular with the public

for early fall distribution in this paper.

## LAWSON'S ELDEST SON MARRIES MRS. SEELEY

Will Spend Honeymoon on Yacht  
and Later Make Residence  
in Boston.

(Special to The Times-Dispatch.)  
NEW YORK, July 28.—Arnold Lawson,  
eldest son of Thomas W. Lawson, of  
"Frozen Finance," was married at noon  
to-day at St. Thomas Church to Miss  
Lucile Mitchell Seeley, the divorced wife  
of Herbert B. Seeley, the grandson of the  
late P. T. Barnum. The wedding had  
been set to take place in October, but to  
the surprise of their friends, they de-  
termined suddenly to get married to-day.  
Mr. and Mrs. Seeley were divorced eight  
years ago, shortly after the famous Seeley  
dinner at Sherry's. Mrs. Seeley was  
granted permission by the courts to take  
the name of Mitchell, her mother's  
maiden name. The couple intend to spend  
three months on the yacht Cygnus, after  
which they will live at Dreamworld, in  
Boston.

## Watson Democrat Again.

AUGUSTA, GA., July 28.—In a speech  
at Thompson, his home, Thomas E. Wat-  
son, Populist leader, candidate for the  
President in the last election, advised the  
Populists of Georgia to vote the Demo-  
cratic State ticket on August 2d, and  
not put out a ticket of their own.

## ROOSEVELT EAGER TO GET ISLANDS

Agreed With Garcia to Recom-  
mend Prompt Action by United  
States Congress.

## DOCUMENTS ARE DISCOVERED

Official Papers in Ecuador Call  
Garcia and Ministers  
Traitors.

(By Associated Press.)

QUAYQUIL, ECUADOR, July 28.—The  
government newspapers have caused a  
sensation here by the publication of doc-  
uments found among ex-President Garcia's  
private papers, one of which treats of  
the sale of the Galapagos Islands to the  
United States. It appears that the islands  
were first offered to France. Senor  
Garcia's memorandum says:  
"While at Washington I visited Presi-  
dent Roosevelt, and inquired into the  
question whether the United States was  
disposed to take over the Galapagos  
Islands, paying Ecuador \$1,000,000 in gold  
for them, thus recognizing Ecuador's  
sovereignty over the islands. Mr. Roose-  
velt replied that he would recommend  
the proposal to Congress, and was sure  
it would be accepted, offering to appoint  
the American minister to continue the  
negotiations at Quito."

The negotiator, Joseph W. J. Lee,  
the American minister to Ecuador, ar-  
rived in Ecuador.

## Revolution Stopped It.

It appears that the Alvaro revolution,  
which resulted in the overthrow of Senor  
Garcia, ended the negotiations. The of-  
ficial papers call Garcia and his minister  
traitors for trying to sell part of the  
national territory.

The negotiators with France are said  
to have been interrupted owing to the  
belief that the United States would not  
consent to European powers acquiring  
the islands.

A meeting was held at Quito, the cap-  
ital, last night to protest against the  
story of how the islands were offered.

## ROLLED ON GROUND IN FRENZY

Finally Overpowered and Taken  
to Hospital—Attacked Last  
Week by Mad Dog.

(By Associated Press.)

PITTSBURG, PA., July 28.—Snapping  
and snarling like a dog, and rolling and  
writhing on the ground, while suffering  
from an acute attack of hydrophobia,  
William Garrison, of No. 469 Third-third  
Street, bit three men to-night before  
getting under control. The names:  
Policeman C. J. GRIMES,  
Wagonman ROBERT HOLMES,  
WALTER OWENS, a citizen.  
Grimes found Garrison rolling about in  
an alley in the rear of the Bijou Theater  
auditorium about 10 o'clock to-night.  
The man was in a perfect frenzy, and  
before he could be overpowered he had  
bitten the three men. He was removed  
to the City Hospital, where he informed  
the attendants that he had been attacked  
last week by a mad dog.

## CHOPPED MAN'S HEAD OFF WITH MEAT CLEAVER

EAST ST. LOUIS, ILL., July 28.—After  
quarrelling for some time in the butch-  
er shop of Michael Schmidt yesterday,  
Schmidt struck Charles Mommert with  
the neck with a meat cleaver. Mommert  
straggled outside with his head half  
severed from his body, and died within  
a few moments. When the police ar-  
rived and arrested Schmidt, he was  
calmly chopping meat with the same  
cleaver that he had used as a weapon  
against Mommert.

## PASSENGER TRAIN HIT ELECTRIC CAR

Lifted It 200 Feet Down Tracks.  
Three Killed.

(By Associated Press.)

LOS ANGELES, CAL., July 28.—A  
local Southern Pacific passenger train to-  
day ran into a Sierra Madre electric car  
of the Pacific Electric Railroad at  
Onoesta Station crossing, near Passa-  
dena, killing three persons and injuring  
sixty, several probably fatally. The in-  
jured were brought to the Sisters' Hos-  
pital in Los Angeles.  
The dead and most of the injured were  
passengers on the electric car, all being  
residents of Sierra Madre. Mrs. Har-  
dister, wife of Dr. Harlester, of Sierra  
Madre, was killed instantly. Two men  
died on the way to Pasadena.  
The conductor of the electric car  
stepped from his car just before reaching  
the crossing, and went ahead to see if  
the crossing was clear. He did not see  
the train approaching rapidly around a  
curve, and signaled the motorman to go  
ahead. The locomotive struck the street  
car in the middle, lifted it from the  
tracks, and carried it two hundred feet  
down the tracks. Passengers were hurled  
in every direction.  
The locomotive and the first coach of  
the train ran into a ditch.

## TERRORISTS GET GOVERNMENT FUNDS

Attack Train and Kill Two Gen-  
erals and Several Soldiers—Pub-  
lic Disorder Growing Daily  
Through Russian Poland.  
Seeds of Revolution  
Being Sown.

(By Associated Press.)

WARSAW, July 28.—Two daring train  
robberies were committed in Russian  
Poland to-day, one of them resulting in  
a considerable loss of life. A train from  
the frontier station nearby, bound for  
Czestochowa, was carrying money re-  
ceived from the customs house to the  
branch of the Imperial Bank, under pro-  
tection of seven frontier guardsmen.  
General Zukat, chief of the frontier guard;  
General Wieting, chief of the frontier  
service; Warsaw's Colonel Brzezicki  
and Captain Laguma were passengers.

Fifteen persons boarded the train at  
a way station. They evidently had been  
waiting for it, and made an attack on  
the guardsmen, who were reinforced by  
the officers named.

A regular skirmish followed, in which  
the two generals, two officials, five sol-  
diers, and one robber were killed, and  
Colonel Brzezicki and one robber were  
wounded. All the wounded and dead were  
taken to Czestochowa.

The robbers escaped, taking \$3,000 and  
the arms of those who had attempted to  
defend the train against robbers.

## Second Robbery.

The second robbery was committed this  
evening on the Warsaw-Vienna Railway,  
six miles from Warsaw.

While the train was under way, un-  
known persons pulled the danger signal,  
causing it to stop. Robbers who were  
aboard jumped out and seized the loco-  
motive, and detached the mail car from  
the train and ran it down the line. They  
secured \$37,500 of government money.  
The robbers evidently were fully informed  
that the train had the money on board.  
They carried red flags, and are sup-  
posed to be members of the Polish  
socialistic party.

The train was without a guard, and  
hence there was no fighting, and no  
causing it to stop. Efforts to capture the  
robbers failed.

The robber who was wounded at Czest-  
ochowa is in a serious condition. He  
refuses to give any information what-  
ever concerning his accomplices.  
Public disorder is growing daily  
throughout Russian Poland. To-day a  
panic occurred in a public park here.  
Many shots were fired, and one person  
was killed, and four were wounded. It  
is believed to have been an attempt by  
revolutionary agents to precipitate an  
outbreak.

## PLAN REVOLUTION IN NEXT SIX WEEKS

Fighting Organizations Making  
Plans Carefully and Expect  
General Uprising.

(By Associated Press.)

ST. PETERSBURG, July 28.—It is evi-  
dent that the proletarian organizations  
refuse to accept the challenge at this  
time upon grounds of the government's  
choosing does not mean that they are  
generally ready for a battle later. In-  
stead, the proletarian organizations, back-  
ed by all the political parties, including  
the Group of Toil, Social Democrats, So-  
cial Revolutionists and the Peasants'  
League, have thrown themselves into  
the campaign of agitation for the Social De-  
mocrats, and are followed by a rising  
in the cities and the country.

Although the time is not propitious for  
the peasantry, as the country is in the  
midst of the harvest season, the leaders  
believe a month or six weeks, at most,  
will suffice for this, and confidently ex-  
pect that their campaign will be aided  
by the universal repressions, to which  
the government will be compelled to re-  
sort in its policy of open war against  
revolution.

## Holding Aloof.

The Constitutional Democrats are hold-  
ing aloof, fearing to throw in their lot  
with the former allies, who see nothing  
ahead but red revolution; yet they are  
ready, if the masses rise and the gov-  
ernment falls, to seize the fruit of victory.

The fighting organization of the Social  
Revolutionists declared a truce while  
Parliament was in session, has de-  
cided to reopen the campaign of active  
terrorism. Its work will be supplemented  
by a similar fighting organization, re-  
cently formed among the Social Demo-  
crats. Over a million copies of a man-  
ifesto to the army, navy, peasants and  
workmen, which was adopted yesterday,  
and already has been printed at Viborg  
and St. Petersburg, have been started  
into the interior through underground  
revolutionary channels.
